MANUFACTURER OF FIRE TRUCKS AND ACCESSORIES

ANOTHER THIBAUT EXCLUSIVE DESIGN

A 100', 5 section aerial unit no longer than 30' overall length maneuverability together with safety is No 1 when you choose a quality piece of fire apparatus. Think about it — an aerial ladder truck the size of a pumper with large compartment space able to conquer your narrow congested downtown streets.

PROCEEDINGS

PRESIDENT ROBERT TEECE: Ladies and gentlemen, it is now my pleasure to call to order the 66th Annual Conference of the New England Fire Chiefs Association, Incorporated.

I would call upon now the Reverend Father Albert Ryan of the Hyannis Fire Department to give the invocation, please. Father Ryan.

REVEREND ALBERT RYAN: This is a wonderful crowd and as the late Richard Cardinal Cushing said, when you go to a lot of gatherings like this there is a nice crowd just big enough for a collection.

(Laughter.)

Heavenly Father, we place ourselves in your presence in our gathering this evening. We ask you in your Son to send Your Holy Spirit to be with us. Bless these men in their deliberations. They come together and with the other members of their department, the Fire and Rescue work. We ask You to guide them and bless their families for all the sacrifices they make for them. We ask You now to help them all during the meeting hours that they may do good work for their people, for the people they serve in their departments, and the people they serve in the street, 24 hours a day to always preserve life. This we ask through Christ, our Lord. Amen.

(Amen.)

PRESIDENT TEECE: Please be seated.

Thank you, Father.

Nothing happens easy any more. It seems with a little bit of adversity, this morning we started out with no lights, but we persevered and here we are again this evening. A good part of the thanks we have to give tonight for our host Chief and his department. They have given us untold help since we arrived here yesterday and I call upon host Chief Richard Farrenkopf to give the address of welcome. Dick.

(Applause.)

CHIEF RICHARD FARRENKOPF: Thank you, Bob. Bob took some of the words right out of my mouth when I was going to make a statement about the weather, but I think I will save the weather until Tuesday night and maybe I will be more smiling on it.

Thank you, Mr. President. Good evening ladies and gentlemen, members, and guests, welcome to Hyannis.

Once again it is my pleasure as host Chief to welcome you to the 66th Annual Conference of the New England Association of Fire Chiefs. It's nice to see many familiar faces again and a pleasure to greet new ones.

We look forward to another successful and rewarding Conference that we may again exchange new ideas, information, and suggestions with each other.

Hopefully, the weather will —

(Laughter.)

— hopefully, the weather will change and be better throughout the Conference and we will be able to enjoy events that have been planned and mix pleasure with business. I look forward to meeting all the members and guests over the next four days.

It is my pleasure as Chief on behalf of the Town of Barnstable, the Hyannis Fire Department, and all its members, to welcome you to this 66th Conference. Thank you.

(Applause.)

PRESIDENT TEECE: Believe me, he has been a lot of help to us. If you are not aware, we first found out about the changes in the exhibition hall and we found we lost 12 spaces down there when they built the new corridor through the addition. We were able to put booths in the hall. Thank you again, Dick.

At this time, I will call upon Secretary-Treasurer Arthur Gaudet to give the roll call of deceased members.

CHIEF GAUDET: The following have died since our last Conference.

(The fire bell was struck after each name.)

Chief Charles A. Jepson, Cheshire, Connecticut on June 12, 1987. Chief Walter Pickering, Newington, New Hampshire, on October 13, 1987. Chief Charles A. Watson of Hopedale, Massachusetts, in October 1987. Chief Ralph G. Seavey of Rochester, New Hampshire in October 1987. Chief John D. Fitzgerald of Plaistow, New Hampshire in October 1987. Chief John Callely, Beverly, Massachusetts, on December 1st, 1987. Chief Emery K. Perry, Harvard, Massachusetts, in December 1987. Chief Walter H. Peterson, of Middleboro, Massachusetts, in March 1988. Harry Rehm of Bridgeton, Maine, on March 3, 1988. Chief Oliver T. Sanborn, Portland, Maine, on April 7, 1988. Chief Harry Schneider, Agawam, Massachusetts, on May 4, 1988. Chief David F. Crowley of Canton, Massachusetts, in May 1988.

PRESIDENT TEECE: Thank you, Robert.

And now I'll call upon another one of our Chaplains, Reverend Stephen Foley for the Memorial Address. Father Foley.

REVEREND STEPHEN C. FOLEY: In looking at the scheduled events for this evening I noticed the Memorial Service was supposed to last from 8:30 until 10:00. I never spoke that long in my life and I don't intend to begin now.

As Arthur was reading the list of deceased members, it struck me as very significant that Harry Schneider, former Chief of the Agawam Fire Department, should have died on May 4 because, as you know, May 4th is the Feast of Saint Florian, patron of firefighters. And as you further know, Chief Schneider was the one who, for the first time in our history, was able to organize a Memorial Service in a cathedral setting. If you recall in 1982, we had an unforgettable Memorial Service in the Cathedral of Saints Peter and Paul in Providence, Rhode Island with of course the outstanding cooperation of Chief Michael Moise of the Providence Fire Department. It made that a part of our history which never will be forgotten.

I think that when God called him home on May 4th, it was entirely significant because Chief Schneider embodied the ideals and the noble tradition of the fire service.

Each year there is always one name, at least, who brings back to us such pleasant, on the one hand, memories and on the other hand rather sorrowful.

For those of you who are in the Catholic dispensation of the Christian tradition, you undoubtedly heard read today the famous gospel story of two of Jesus' miracles of health and miracles of resurrection. And in considering that gospel we are certainly forthwith confronted primarily with those two miracles. And yet, there is another aspect of that gospel selection which is quite frequently, in fact, almost always overlooked. And the concluding line of the gospel speaks to us of an almost foreign topic at first sight. For after Jesus restored the daughter of Jairus from death to life everybody was awe-struck. And here was their 12-year-old girl raised from death to life and what did Jesus say to those around Him?

"Applaud," no. "Thank Me," no. "Organize a demonstration for life," no. "A league against death," no.

What did He say? He said, "Give her something to eat." Amazing, "Give her something to eat."

And that was the last line of the gospel and perhaps that's why it's so often overlooked. We're still focusing our attention on the miracle. We perhaps are still awe-struck by what has taken place, but for those of us in the fire service, who gather here this evening to honor the memory of those who have gone on before us, I find that particular line very significant because it is our primary concern to care for the living. And the best way that we can honor the memory of those who have gone on before us is to embody in our care for the living their noble tradition because that is the noble tradition in the right sense of the fire service. So often we are looking for that 10-alarm fire for that headliner, although I'm sure that Ray Sullivan will agree with me he is not looking for any headlines at all.

TEMPO MAX. THE TOUGHEST GLOVE FOR THE TOUGHEST PROFESSION.

On the other hand, I think there are times when we think on too large or global or worldwide a scale. It pays from time to time to think small — and I don't mean by small to think cheap — but to think of the immediacy of the needs of everyday living. And that is what the fire service is all about, to care for the needs of everyday living for every time the bell hits and you or your people respond to an alarm, you are doing God's work. Because it is in serving others that we serve Him. "Give her something to eat." That was the immediate need, that was the alarm bell at that time for Christ. And Jesus knew that any 12-year-old child, even one just risen from the dead, was likely to be hungry. And for those of you who pay the food bills, you know that better than I do, right, absolutely.

What I'm trying to point out to you this evening is this. Sometimes we can easily be caught up in the grandeur of being a Chief, although the honeymoon doesn't last much longer than two weeks after the appointment, as you all know better than I do. And yet there are always temptations to grandeur just like when somebody becomes a bishop after being a priest. Most of us succumb to that temptation — and I am not passing judgment because it is an easy thing to do. They all give accolades to praise to their faiths, but not always behind the back.

The message then this evening is this. Simply because you achieve, whatever rank of Chief or Deputy Assistant makes no difference. As Chief of the department your responsibility before God is still to serve the needs of others and perhaps that need may begin by serving the members of your own department because leadership first and foremost means service and if you cannot serve the members of your own department by your leadership, how can you serve the community?

"Give her something to eat." In the face of two awesome miracles Christ was nonetheless concerned with the immediate need of the moment. And for those of us who so often respond to emergencies we too must understand the immediate need of the moment. We must never let power or grandeur or headlines become a way of life but rather service. And I am sure, if you will but reflect for a few moments on your job, you will soon recognize that many opportunities surround you everyday for service to others. And if we wish to elevate this to a higher level we need once again remember the words of Jesus Christ, "Whatever you do to the least of my people you do to me."

PRESIDENT TEECE: Thank you very much, Father Foley.

In response to what the Father has said about the service we had a Rhode Island, which was terrific, believe me our host Chief Farrenkopf, buddy Dick tried to get a service for us in a church in Hyannis this evening and the only thing we could get available was at 5:30 p.m. and we did not see any way we the committee officers or whatever could close up and have everybody change into uniform and get into church. So it was at a Director's Meeting to once again hold it inside here. And I lay it on the next President Gerry Landry to see when we go to Sturbridge next year to have a Memorial Service at that site in a church.

Mr. Secretary, do we have any other announcements tonight?

CHIEF GAUDET: No, I think we are all set unless you have anything.

PRESIDENT TEECE: No. I don't have any announcements.

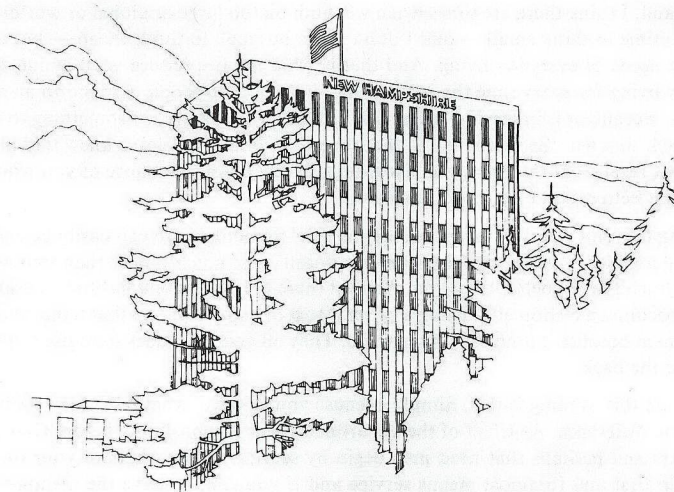

CHIEF GAUDET: I think one thing we should mention is anybody —

PRESIDENT TEECE: You might have something more.

CHIEF GAUDET: Any of the members here that have sent money in for banquet tickets, that they are available at the registration desk and they will be available tomorrow for those who have prepaid their banquet and we'd like to have them picked up before noontime. And anyone that needs banquet tickets, they will be available till noon tomorrow. We must give the hotel a count by tomorrow noontime, so I would appreciate it if you see anybody that's looking for banquet tickets, make sure they get to us before noontime tomorrow.

PRESIDENT TEECE: This is an awful short service tonight, but you know, we have ministers here tonight, we have priests here tonight, we also have a Cardinal sitting in front of us. Do you want to waive to the group, Cardinal?

(Chief James L. Grote stood to applause.)

PRESIDENT TEECE: Well, I guess it's going to be one of the shortest services on record, Arthur. If nobody else has any more at this time, then I will call on the benediction by Reverend Charles Hood. Reverend Hood.

REVEREND CHARLES F. HOOD: We thank You, oh, God, for all of the blessings of life. We thank You for those ties that bind us so closely together as firefighters. We thank You, oh, God, that You have placed upon each one of us the responsibility of saving life and property, a responsibility which is ours and which we do not take lightly. And we ask that Thou would bless us and strengthen us in our task.

And now, may the grace of Lord Jesus Christ, the love of God, and the communion of the Holy Spirit be amongst you and abide with you always. Amen.

(Amen.)

PRESIDENT TEECE: Thank you, Reverend.

Remember, folks, this Conference is your Conference. Your officers and directors work for you. If you look for anything or want anything, contact any one of us.

We'll see you tomorrow morning.

(Applause.)

PROCEEDINGS

PRESIDENT TEECE: O.K., gentlemen, I hereby call the Annual Business Meeting of the 66th Conference of the New England Fire Chiefs, Incorporated to order. I want to call on Charles Hall for the salute to the flag.

(Pledge of Allegiance.)

PRESIDENT TEECE: For a few guidelines, with the Directors' permission, I have appointed Merton Dyer to be our parliamentarian for today's business.

Also for our stenographer, who is sitting down front here, when you rise to speak please speak loudly and plainly and give your name and your community so she can get everything copied down.

The report of the Secretary, Chief Arthur Gaudet.

CHIEF GAUDET: Report of the Secretary for 1988 to the officers and members of the New England Association of Fire Chiefs, Inc. I herewith submit the Annual Report of the Secretary for the year ending May 31, 1988.

Two meetings were held, one on October 22, 1987 at the Sheraton Sturbridge, Sturbridge, Mass., and May 2, 1988, at the Sheraton Tara Hotel in Danvers, Massachusetts. Plans for our 66th Annual Conference were discussed and formulated.

During the year all the Association business was handled promptly by President Robert Teece and your Secretary. A full and complete report of the meetings will appear in the 1988 book of proceedings of the Association commonly referred to as the Red Book.

Please do not hesitate to call upon your state directors or any officer of the Association in any matter in which we may assist you. I would urge all to notify your state director or secretary at once in case of death or illness of a member.

As of May 31st, 1988, we have 1,337 members in the Association. Maine — 59; New Hampshire — 97; Vermont — 56; Massachusetts — 325; Rhode Island — 100; Connecticut — 207; Life Members — 15; Retired Members — 462; and outside of New England — 16; for the total of 1,337.

During the year 1987-88 the following changes were made in the membership:

New members — 77, Lost by Death — 12; Lost by Non-payment — 22.

All members removed for non-payment of dues were notified at least three times and were removed from the roles in accordance with Article V, Section 2 of the by-laws.

All members applying for Honorary Life Membership and meeting the by-laws of the Association were admitted.

It has been a privilege to serve as your Secretary-Treasurer for the past eight years. I want to thank all the officers and committee members I have worked with. Both my wife and I have enjoyed this great experience and the many friends we have made over the years. To all the members thank you for your help and support, it's been great.

Respectfully submitted,

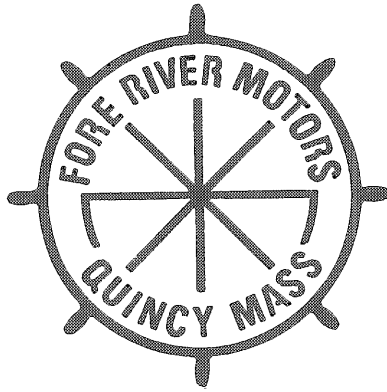

Chief Arthur R. Gaudet, Secretary.

PRESIDENT TEECE: Thank you, Arthur.

Do I hear a motion to accept the report?

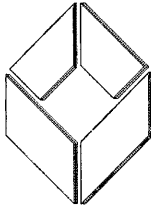

CHIEF OTIS WYATT: (Narrangansett, RI) I move the Secretary's Report be accepted.

RETIRED CHIEF GERALD CARLE: (Dracut, MA) Second.

PRESIDENT TEECE: Arthur, these balances, are they as of today or when is the date of the balance?

CHIEF GAUDET: All the balances are May 31st. This is all last year's business.

PRESIDENT TEECE: As of May 31st so any expenditures on this Conference are not as of today.

CHIEF GAUDET: No.

PRESIDENT TEECE: You have heard the Treasurer's Report as of May 31st. Do I hear a motion to accept the report?

CHIEF OTIS WYATT: (Narrangansett, RI) I move the Treasurer's Report be accepted.

CHIEF JOSEPH J. NICOLOSI: (Methuen, MA) Seconded.

PRESIDENT TEECE: Motion made and seconded that we accept the Treasurer's Report. Any discussion?

Hearing none, all in favor say Aye.

(Aye.)

All opposed say No.

(The motion carried.)

We now have the Report of the Auditing Committee, Chief Robert Butters.

CHIEF ROBERT BUTTERS: Mr. President, Members of the Association, we, the New England Association of Fire Chiefs, Incorporated Auditing Committee have examined the books and records of the Secretary-Treasurer and have found them to be in good order.

CHIEF RAYMOND M. SULLIVAN: (Springfield, MA) I move they be accepted.

PRESIDENT TEECE: Do I hear a second?

CHIEF LAWRENCE LAMSON: (Hamilton, MA) Seconded.

PRESIDENT TEECE: Motion made and seconded to accept the Auditors' Report as read. All in favor?

(Aye.)

Opposed?

It's a vote.

Next will be the Report of the Exhibit Committee. Chief Charles Maurais.

CHIEF CHARLES F. MAURAI: (Marblehead, MA) Thank you, Mr. President, the Board of Directors, Members. After overcoming the weather and the power outage, we had the largest display of exhibitors for the Association. 71 pieces of apparatus on the outside and it was 84 on the inside.

At this time I would like to thank Chief Edward Creighton from Marblehead as a consultant for helping me out through all this and he stood behind me 100 percent all the way. He did a good job.

And I also at this time would like to thank Chief John Quinn from Nahant, Massachusetts; Wendall Mansfield from Stowe, Vermont; and Joe Nicolosi from Methuen, Mass. They did an outstanding job in the pouring rain. It wasn't easy. I was inside where it was dry, but they were outside where it was raining out and did a good job and had everybody lined up out there and they were waiting from 7:00 o'clock in the morning to come in and they did an outstanding job.

The Champion exhibition set up during the darkness as you know and they did a good job and they went right along. I'd like to thank everybody.

I don't know who it was, but everybody who generated the lights, I appreciate it. And everybody seemed to cooperate during this power outage and with the rain. So it worked out quite well.

Right now I don't have a final count as I was still running around this morning collecting money. And right now I estimate we're going to take in a little over \$21,000 in receipts from the exhibitors and I have to settle up with the hotel and Champion.

And there are recommendations I would like to make to the Board of Directors at a later time. Thank you.

PRESIDENT TEECE: Thank you, Charlie.

You realize all your chairmen this year are under the gun. Usually our business meetings are tomorrow morning, Wednesday morning, and that gives people a chance to make a final report and with the exhibitors closing and the seminars at 1:00, everyone is under the gun to submit their reports.

You have heard the report.

FORMER CHIEF WILLIAM MAINE: (Cranston, RI) I move to accept the report.

FROM THE FLOOR: (West Springfield) Seconded.

PRESIDENT TEECE: Motion made and seconded to accept the report of the Exhibit Committee. Any discussion?

All those in favor say Aye.

(Aye.)

Opposed say No.

It's a vote.

Next is the Report of the Program Committee, Chief Gerry Landry.

CHIEF GERALD P. LANDRY: (Woonsocket, RI) Mr. President, the Program Committee wishes to report that two sessions were held on Monday and Tuesday in the program section and they seemed to be very well received. I think everyone appreciated it. We had programs in the morning and they seemed to be very, very well attended.

I want to thank Chief Charles Hall and Chief Mooney and having Homer Dubois and for giving us assistance because I was going most of yesterday. Thank you very much.

Respectfully submitted.

PRESIDENT TEECE: Thank you, Gerry.

What is your pleasure on the report of the Program Committee?

CHIEF VICTOR J. ZUMBRUSKI: (Amherst, MA) I move to accept.

CHIEF OTIS WYATT: (Narrangansett, RI) Seconded.

PRESIDENT TEECE: Thank you.

Motion made and seconded to accept the report of the Program Committee. Any discussion?

Hearing none, all in favor?

(Aye.)

Opposed?

Hearing none, it's a vote.

Next is the report of the Registration Committee, Chief Charlie Foss.

CHIEF CHARLES FOSS: (Wolfeboro, NH) Maybe I can holler loud enough so everybody can hear me. Can you all hear me?

FROM THE FLOOR: No.

CHIEF FOSS: It looks like we're going to have a good registration this year. As you know, we had a new program instituted of a one-day pay which filled our figures up quite a bit. We did have roughly 191 Chiefs registered this year, which is a few more than we've had the last couple of years; 47 retired; associated members and female guests made up the total of 467 under the registration; and on the one-day yesterday we had 206 paid for one day. This morning we had 9; which gave us a total of 2206 for the two days. It looks like maybe a total of \$11,255 we're getting out of registration right now.

PRESIDENT TEECE: Do you have any numbers of people, Charlie?

CHIEF FOSS: Chiefs 191.

PRESIDENT TEECE: O.K.

CHIEF FOSS: Retired — 47; Associate Members — 46; and Female Guests — 179; and 4 Special Guests.

PRESIDENT TEECE: This tops any Conference by far. O.K., Charlie, thank you. Charlie says this tops any other Conference by far.

You have heard the report of the Registration Committee, gentlemen. What is your pleasure?

CHIEF JOSEPH J. NICOLosi: (Methuen, MA) I move to accept.

PRESIDENT TEECE: Do I hear a second?

CHIEF RAYMOND SULLIVAN: (Springfield, MA) I second the motion.

PRESIDENT TEECE: Motion made and seconded to accept the report of the Registration Committee. Any discussion on this?

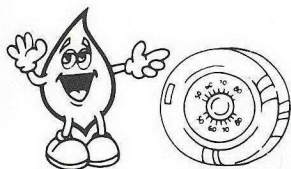

All in favor say Aye.

(Aye.)

All opposed say No.

It's a vote.

The next will be the report of the By-Law Committee, Chief Bill Healey. We will take the by-laws, we're going to take one section at a time and our parliamentarian says we only need a motion and a voice vote for each part of it. And then to approve all the by-law changes, then there'll be a motion at the end. It will have to be a secret ballot with a two-thirds vote to accept it.

CHIEF WILLIAM A. HEALEY: (Milford, CT) Gentlemen, in accordance with the motion passed at the Annual Meeting of the New England Association of Fire Chiefs held on July 1st, 1987, in which Section 9, Article IV of the Annual Meeting of the By-Laws, the enclosed By-Law Committee's Report. Underlining the word or wording signifies additions. The use of parenthesis signifies words or wording to be eliminated.

The By-Laws Committee met several times and reviewed the last three years' Annual Meeting minutes and have come up with the recommendations that were forwarded to the President and the Secretary-Treasurer. And they were forwarded in the mailing to all members of the Association to meet the existing by-laws because we are still operating under the old by-laws, as Mert brought out to us. And in talking with Mert, he and the President suggested we go through them one at a time.

Since the by-laws have been distributed there is one what we might call a clerical error and there is one change that the Board of Directors voted to support. The first one is "Article III — Duties, Section 1. It shall be the duty of the President to preside at all meetings of the corporation and the Board of Directors and shall be the official representative and spokesman of the Association."

And if you have got your by-laws it then says, "Shall appoint committees." We will be eliminating that because this is repetitious. "Shall call special meetings of the Board of Directors when so requested by a majority of the Board of Directors whenever the President deems such a meeting is necessary provided and that a ten-day notice of such meeting shall be given and the reasons therefor."

The new section: "The President shall appoint all committees. All committee members shall be active Fire Chiefs at the time of the appointment."

The rest of the paragraph remains the same.

PRESIDENT TEECE: Gentlemen, you have heard the first paragraph. Do I hear a motion to accept that one, please?

CHIEF GERARD A. CABLE: (Dracut, MA) Mr. President, I move that you accept Article III, Section 1 as presented.

PRESIDENT TEECE: We don't need a second.

CHIEF MERTON DYER: You don't need a second.

PRESIDENT TEECE: As just read to you, all signify by saying Aye.

(Aye.)

Anyone opposed?

(The motion carried.)

We go to the next one, Article IV — Annual Meeting.

CHIEF HEALEY: It is required that I read the whole or just a change?

CHIEF DYER: The changes.

CHIEF HEALEY: I believe you had mentioned under Article IV, Section 1, that the only changes in that, that the Conference will vote by the Board of Directors. Now, that is an old thing that was voted on a few years ago but wasn't incorporated into the by-laws. We are now just incorporating it into the by-laws under this section.

PRESIDENT TEECE: You heard Bill say this was voted sometime ago and this is the first reprint we're going to see in sometime so just including that one "by vote of the Board of Directors." So I hereby ask to accept it.

CHIEF CHARLES FOSS: I move to accept.

PRESIDENT TEECE: You heard the motion to accept one line. All in favor?

(Aye.)

(The motion carried.)

CHIEF HEALEY: Still under Article IV, Section 1, the second paragraph, we are eliminating the second paragraph in its entirety. It reads: "The secretary shall if possible distribute this information prior to the meeting and in addition shall establish a location in the vicinity of the registration area at which each proposal shall be posted on the morning of the first day of the annual meeting/conference for review by the members. A secret ballot vote shall be taken on the morning of the last full day of the annual meeting/conference. The proposal receiving at least 51% of the votes cast, shall be designated as the selected site. In the event no proposal received at least 51% of votes cast, then a second ballot shall be held on the two proposal sites which received the highest vote on the first ballot."

That has been eliminated in prior years also, but it was still in the by-laws so we are recommending that action be taken up.

PRESIDENT TEECE: You heard the chairman say the reason for deleting this from the by-laws, that the Directors shall make the site selection.

Do I hear a vote to say we delete, as just read to you? Do I hear a motion on that?

CHIEF OTIS WYATT: I move that Article IV, the second paragraph, be deleted as read.

PRESIDENT TEECE: All those in favor please say Aye.

(Aye.)

Opposed?

It's a vote.

We go to the next one, Bill.

CHIEF HEALEY: Still under Article IV, Section 1, "All site proposals shall be investigated by a site committee," and then it's new, "as appointed by the President," eliminating "composed of the Chairman of the exhibit committee, the chairman of the Manufacturers Committee and such other persons as appointed by the President."

In other words the President appoints all committees.

PRESIDENT TEECE: O.K., that third paragraph as the first one is "as appointed by the President," it is up to him, the President shall appoint all committees and to delete the final part of that paragraph.

Do I hear a motion to accept that as read to you?

CHIEF LAWRENCE LAMSON: (Hamilton, MA) I move that change.

PRESIDENT TEECE: That's Article IV, the third paragraph.

All in favor signify by saying Aye.

(Aye.)

Anyone opposed say No.

(The motion carried.)

The next one.

CHIEF HEALEY: Section 3, under Article IV, has to do with the exhibit hall. And what we've done there is just eliminate "Entertainments, such as the Entertainment Committee may wish to arrange for, must not interfere with the business program of the corporation."

The President can now make any committees he wants so we just eliminated it.

PRESIDENT TEECE: The same reason for the change because up on top "The President shall appoint all committees."

CHIEF NICOLASI: I make a motion to accept it.

PRESIDENT TEECE: You heard the motion.

All those in favor signify by saying Aye.

(Aye.)

Opposed say No.

(The motion carried.)

Now we go to Section 4.

CHIEF HEALEY: Section 4 in its entirety was eliminated. "Nothing in section one shall be construed as prohibiting the Board of Directors in case of extraordinary emergencies where a vote of the membership could not be conducted from changing the place of the meeting."

PRESIDENT TEECE: The recommendation of the By-Law Committee is to delete Section 4 in its entirety.

Do I hear a motion for that?

CHIEF WYATT: I move that Article IV, Section 4 be deleted as read.

PRESIDENT TEECE: You have heard the motion, gentlemen.

All those in favor please say Aye.

(Aye.)

Opposed please say No.

It's a vote.

CHIEF HEALEY: "Section 5. A registration fee shall be charged for every person registering at the annual meeting, the amount to be determined by the Board of Directors."

New is "Entrance to the exhibit hall or educational sessions will require a registration badge."

PRESIDENT TEECE: O.K., gentlemen, you have heard the recommendation of Section 5.

Do I hear a motion to that effect?

CHIEF MARTIN J. JORDAN: (Bourne, MA) I move to accept as read.

PRESIDENT TEECE: All those in favor say Aye.

(Aye.)

Opposed say No.

It's a vote.

CHIEF HEALEY: Section 7 is short and we recommend that it be eliminated in its entirety because it's now in the first paragraph. "The President shall appoint all committees. All committee members shall be active Fire Chiefs at the time of appointment."

PRESIDENT TEECE: Do I hear a motion to delete Section 7?

CHIEF CHARLES FOSS: I move we adopt it.

PRESIDENT TEECE: Motion made to delete Section 7 as read to you.

CHIEF HEALEY: Again, Section 8, I'll read it in its entirety and we recommend it be eliminated in its entirety. "Time as specified by the Exhibit Committee shall be reserved for the exhibitors to display their various articles and improvements in fire apparatus."

We covered that somewhere else in the by-laws.

PRESIDENT TEECE: You have heard the explanation, it's repetitive.

Do I hear a motion to eliminate Section 8 in its entirety?

FROM THE FLOOR: (Northampton) I move to accept the recommendation.

PRESIDENT TEECE: Motion made to delete the section in its entirety.

All in favor say Aye.

(Aye.)

All opposed?

It's a vote.

CHIEF HEALEY: "Section 10. A portion of the first day shall be set apart for the holding of memorial services in memory of departed members."

New is "at an appropriate setting, other than the dining hall, as designated by the host Chief and the Association Chaplains."

PRESIDENT TEECE: You have heard that and you know the reason for it. In other years we sat in this very hall and tried to conduct a Memorial Service while they were still trying to clear tables and it was disruptive.

The host Chief tried everything he could to get us a church and the only thing available was at 5:30 at night and we could not make it. We finally got the hall next door and that's why the addition in Section 10 is better.

Do I hear a motion for Section 10 as written?

RET. CHIEF JOHN LYDON: (Manchester, NH) I make a motion that Section 10 be changed.

PRESIDENT TEECE: Motion made to accept the change in Section 10 as read to you.

All in favor say Aye.

(Aye.)

All those opposed?

Section 11.

CHIEF HEALEY: Section 11 is eliminated in its entirety. "Nomination of officers, proposals for the selection of a site for the holding of the annual meeting/conference, proposed changes in the by-laws and proposed resolutions shall take place on the first full day of the annual meeting/conference."

PRESIDENT TEECE: That's self-explanatory, gentlemen, that's not the way we operate any more.

Motion made to delete Section 11.

CHIEF CARLE: So moved.

PRESIDENT TEECE: Motion made to delete Section 11 in its entirety.

All those in favor signify by saying Aye.

Section 12.

CHIEF HEALEY: Section 12, the only change is "Nomination and", and then it goes "election of officers."

Then we're also removing "Selection of a site for the annual meeting/conference," that's it. Again they're in different sections.

PRESIDENT TEECE: The reason for the small changes as just explained to you is they are in different sections.

Do I hear a motion to accept the few changes that we have just read to you in Section 12?

CHIEF CLOONAN: (Waltham, MA) I move they be accepted.

PRESIDENT TEECE: Motion made to accept the changes as read to you in Section 12.

All those in favor signify by saying Aye.

(Aye.)

Opposed say No.

It is a vote.

Article V. Membership is next.

CHIEF HEALTY: "Article V, Section 1. The membership shall consist of." I'm going to read this because there are some changes in that language. "Active members — active members shall include (1) the Chief of the Fire Department of a regularly organized public," new "fire department;" new "Chief of a private fire department," new "that provides municipal service;" new "Chief of an industrial fire department. (2) State Fire Marshals. (3) Full-time employed," new, "Fire Commissioners, Chiefs or Superintendents of Insurance Patrols, Fire Directors. Dues shall be \$20.00 annually payable in advance on June 1 of each year."

PRESIDENT TEECE: O.K., gentlemen, you have heard the changes in Article V, Section 1 on Active Members. These recommendations were made by most of you or made at last year's meeting.

Do I hear a motion to accept it?

CHIEF ROBERT DUCHESNEAU: (Rochester, NH) So moved.

PRESIDENT TEECE: Motion made to accept Article V, Section 1 and all the changes as read to you previously.

All those in favor signify by saying Aye.

(Aye.)

All opposed say No.

It's a vote.

CHIEF HEALEY: Under "B. Associate Members," the only is "Fire Commissioners," and dues will be \$20.00.

PRESIDENT TEECE: The same thing, gentlemen, on Associate Members, just adding Fire Commissioners and change of dues to \$20.00.

Do I hear a motion to accept as read to you?

CHIEF LAMSON: (Marblehead, MA) So moved.

PRESIDENT TEECE: All in favor say Aye.

(Aye.)

All opposed say No.

(The motion carried.)

“Section C. Honorary Life Members.”

CHIEF HEALEY: Since the by-laws went out and the Board of Directors meeting held today and we're recommending that under C, “Honorary Life Members shall be entitled to vote in all matters. Honorary Life Members shall be entitled to all privileges of active members,” so forth, eliminating “not be required to pay annual dues of \$5.00.”

PRESIDENT TEECE: At the Directors meeting there was a consensus of the Directors that we not charge the \$5.00 for the Life Members so that will be the way we want the change to be made today. It's exactly the same, but deleting the \$5.00 that was in the copy sent.

Do I hear a motion?

CHIEF WILLIAM HYDE: (Swansea, MA) I so move.

PRESIDENT TEECE: On Article V, Section 1.C., as read to you, all those in favor say Aye.

(Aye.)

Anyone opposed say No.

The Ayes make a vote.

CHIEF MICHAEL MOISE: (Providence, RI) Clarification. It now reads. “Does not” or “does” read, is that stricken?

CHIEF HEALEY: “Honorary Life Members shall be entitled to vote on all matters. Honorary Life Members shall,” then from there it's eliminated until you get to “be entitled.”

CHIEF MOISE: Oh.

CHIEF HEALEY: O.K. Under Life Members, we're eliminating a section which was Second under the old by-laws. “The corporation may, by a majority of the membership present at the annual meeting, elect any associate member to life membership without payment of any fee; and any member so elected shall thereafter be exempt from dues for life.”

PRESIDENT TEECE: You have heard Article V, Section 1, Subsection D. Life Members.

What is your pleasure, gentlemen?

CHIEF CARLE: I move the recommendation of the By-Law Committee.

PRESIDENT TEECE: You have heard the motion, gentlemen.

All those in favor please signify by saying Aye.

(Aye.)

Opposed say No.

It is a vote.

And go to Section 2.

CHIEF HEALEY: The only change in this, I'll read it because it's short: “No member who is in arrears for dues and assessments,” the old by-laws say “for one year” and we're eliminating that to say, “No member who is in arrears for dues or assessments shall be entitled to vote at any meeting of the corporation, and any member who is in arrears for two consecutive years shall be dropped from membership.”

PRESIDENT TEECE: You have heard the motion as read.

Do I hear a motion?

CHIEF FOSS: So moved.

PRESIDENT TEECE: You heard the motion, gentlemen.

Now, Mr. Parliamentarian Mert, we will now —

CHIEF HEALEY: I want it noted that the proposed changes if adopted will require renumbering so we'll have to totally reprint the By-Laws.

PRESIDENT TEECE: I think everybody understands that, Bill, good job too.

Now Mert, as I understand it, it will be a secret ballot?

CHIEF MERTON DYER: It is not necessary under the 1980 By-Laws. It says that "It shall be a two-thirds vote of the members present and entitled to vote at said meeting." It would be discretionary whether you want to do it by a voice vote, a standing vote or ballot.

PRESIDENT TEECE: I think hearing no discussion or not that much discussion from the floor of any change in there, that I will accept just a motion to accept all the changes as just read to you and voted by section by section, a motion to accept all the changes in total.

CHIEF SULLIVAN: (Springfield, MA) I so move.

CHIEF CARLE: I second the motion.

PRESIDENT TEECE: Motion made and seconded to accept and adopt all the changes that were just read to you and voted individually.

Any discussion on this, please?

Hearing none, all in favor please signify by saying Aye.

CHAIRMAN HEALEY: As Chairman of the Committee, I want to thank Chief Bob Nunes of Chicopee and Ed Haber from Berlin, Connecticut in working on these by-laws. We went back and forth and we had two or three meetings on our own and then we did a lot of movement in the mail to come up with these recommendations. Thank you.

RETIRED CHIEF LAWRENCE LAMSON: (Hamilton, MA) I move we extend a vote of thanks to the Committee for a job well done.

PRESIDENT TEECE: Motion made and seconded to a vote of thanks to the members of the By-Law Committee for all the work they did. And I would like to have that amended to include all my committees this year, not just the one, but every single one of them. They did a lot of the work, Charlie and his Committee Program, everyone did a lot of work this year and I think we have a very successful year. That is an amendment.

CHIEF LAMSON: I accept that amendment.

PRESIDENT TEECE: A rising vote of thanks for all the members of our committee this year.

(Standing ovation.)

PRESIDENT TEECE: O.K., the election is later on, but we are changing our Secretary this year and this is Arthur's last meeting sitting up front. He's done such a marvelous job for us.

The next thing on the agenda is the setting of the salary for the Secretary for the coming year.

CHIEF CARLE: I move that the same amount as the previous year be for the Secretary. You need two separate ones?

CHIEF GAUDET: Yes, separate votes.

PRESIDENT TEECE: What is the salary of the Secretary at the present time?

CHIEF GAUDET: The Secretary is \$2300 and the Treasurer is \$2700.

PRESIDENT TEECE: The first motion is to set the salary of the Secretary for the coming year at \$2300.

CHIEF CARLE: Right.

PRESIDENT TEECE: Is there is a second on that, please.

CHIEF CHARLES FOSS: I second the motion.

PRESIDENT TEECE: The motion is made and seconded that the salary of the Secretary for the coming year be \$2300.

Any discussion?

At this time we will announce to you the sites of the 1991 Conference. We had three proposals this year and they were passed out to us at our May 2nd Director's meeting and we decided at that time not to take a vote until today. We mailed a copy of every selection site and there are three: Back here at Dunfey's, now called Tara Hyannis; up at the Sturbridge; and the Radisson, which now is Tara Ferncroft's.

And the vote of the Directors today was to return her to Dunfey's or Tara Hyannis in 1991. And as you know, that's now a selection made by the Directors. Each day in caucus we heard input from all of the states and that was our selection.

And your Exhibitors Committee, two of them met with us and we had a meeting yesterday night and the attendees were the biggest and they also wish to attend here. If you can find a larger site or a better site, but we're locked in. I think we turned away 25 vendors this year.

CHIEF MAURAS: Myself close to 20 —

PRESIDENT TEECE: I turned away some.

CHIEF MAURAS: — apparatus we turned away.

PRESIDENT TEECE: The potential is there to grow much larger, but we have no place to go and this is one of the largest ones we have now.

CHIEF CARLE: Mr. President, I concur with the Board and do support it, but I think because it's the largest and the best, if the hotel thinks they own us and increase everything else the other way for the rooms and all the other benefits you are going to get here, at some time you have to look at that as well. I don't have a problem with the rate they charged us, but I think that's something to look at by the Committee as well if they gave you a price for the night that's a reasonable rate, that's it, but if it gets proportionally out of sight, at that time you will have to look at it again.

PRESIDENT TEECE: It's not on my agenda here, I am going to go on up a few minutes, it's going to be Gerry's regime next year, but I would like to hear a little input from the membership of the European plan against the American plan. This is the first year we had the European plan, and I had discussion that it would be nice if we had a band and it was not as nice to meet and eat and have dancing and a Hawaiian night or western night. Does anybody have any input for the Committee for next year?

CHIEF CARLE: Mr. Chairman, again, I don't think it's the cost per se. As long as the food is good food I don't think the fellows will mind paying because, as you know, many go to other associations that pay a lot more per day than here, but the food is excellent and the facilities are like they are here so I think if we have good food, I don't think the fellows will mind. Sometimes the food has been mediocre and I think that's why from the American plan to European maybe.

PRESIDENT TEECE: As you know, in Sturbridge we are back to the American plan. That's the plan we approved and it will be the American plan next year. And the vendors say they would like to stay on the European plan. They get to take guests out. And we are locked in for a couple of years and so any way you want to go.

Unfinished business. Mr. Secretary, do you have any unfinished business you want to bring forward at this time?

CHIEF GAUDET: Not to my knowledge, no.

PRESIDENT TEECE: Does anybody else have any unfinished business to come forward at this time?

New business. I have a note here to have Gerry Landry take the mike.

CHIEF GERALD P. LANDRY: (Woonsocket, RI) Thank you, Mr. President. We should have been doing this tomorrow, but usually we hold our Annual Meeting on Wednesday, but not to break with tradition, it gives me great pleasure to present President Bob with his badge of past President.

(Applause.)

In addition, President Bob, I'm sure you will appreciate this just as well as it may take you all the way to Randolph.

(Laughter.)

PRESIDENT TEECE: Thank you very much. I didn't expect any of this today. Changing our business meeting from Wednesday to Tuesday is tricky because I have to run two business meetings in a row. Thank you very much. I truly enjoyed this year and I'll still be attending every year from here on in. Thank you everyone for a large and successful Conference.

(Applause.)

Any other new business, Mr. Secretary, that you can think of?

CHIEF GAUDET: No.

PRESIDENT TEECE: Does anybody else in the audience have any new business they care to bring forward at this time? Good.

The next one on here is Resolutions.

PRESIDENT TEECE: I keep looking at the Secretary and he's not saying anything.

Anybody else have any resolutions?

The next one on here is the motion to adjourn unless anyone else has anything else to bring forward—he's getting back at me for the last time. Last year I forgot to swear him in.

Election of officers for 1988-89. We'll go with the Directors first from the top down. As Bill Healey will be the candidate for Second Vice from Connecticut, the membership from Connecticut have nominated Chief Edward Haber from Connecticut to be their Director for '88-89. A motion or how do you go about that?

CHIEF GAUDET: Theoretically, the people that they selected, it's usually automatic and they are sworn in because we haven't taken these votes in the past.

CHIEF HEALEY: Mr. Chairman, it's my pleasure to nominate Edward Haber of Berlin, Connecticut, a Firefighter for 45 years and Chief for 25 years, to be a Director from the state of Connecticut for the next two years.

PRESIDENT TEECE: As Arthur just said to me, it's entirely the selection of each state to select their own Director and all I should duly do is stand here and read to you the list of Directors and they will be automatically sworn in.

Chief Edward Haber of Berlin, Connecticut; Chief Wendall Mansfield of Stowe, Vermont; Chief Kenneth Wagner of Cumberland, Maine; Chief Michael Moise of Providence, Rhode Island; Chief Robert Nunes of Chicopee, Massachusetts; and Chief Michael Mooney of Guilford, New Hampshire.

And the first Vice-President will be Chief Charles Hall of Merrimack, New Hampshire; Second Vice-President will be Chief William Healey of Milford, Connecticut; Secretary-Treasurer Chief Martin Jordan of Bourne, Massachusetts.

And for some of you new people, the Secretary-Treasurer must come from Massachusetts because our Association is incorporated in Massachusetts and that's why it strictly had to be a Massachusetts Chief.

And I understand that the Sergeant-at-Arms is not an elected position, it's appointed by the President and he is selected to be Chief Otis Wyatt of Narragansett, Rhode Island for next year. No votes.

CHIEF DYER: Directors, no, they are determined by their own states. The President; First and Second Vice-President; the Secretary and Treasurer should be put up for election and elected by the body.

CHIEF DYER: You can do it as one.

PRESIDENT TEECE: Do it all at once?

CHIEF DYER: If you want to.

PRESIDENT TEECE: I'll read the officers once again. The President will be Chief Gerald Landry, Woonsocket Rhode Island; the First Vice-President will be Chief Charles Hall of Merrimack, New Hampshire; the Second Vice-President will be Chief William Healey of Milford, Connecticut; and the Secretary-Treasurer will be Chief Martin Jordan of Bourne, Massachusetts.

CHIEF OTIS WYATT: It gives me great pleasure to make a motion that that slate of officers just read by President Bob be accepted for our '88-89.

PRESIDENT TEECE: Do I hear a second?

FROM THE FLOOR: (West Springfield, MA) Second.

PRESIDENT TEECE: Motion made and seconded for the slate of officers I just read to you shall be the slate of officers for 1988-89 and they will be sworn in tonight at the banquet.

All those in favor signify by saying Aye.

(Aye.)

All those opposed please say No.

It's a vote.

I guess, Mr. Secretary, that the motion to adjourn is in order.

CHIEF GROTE: Mr. President, as a past President of this Association, with 66 years under my belt, and if anybody else can break that record I want to hear it. I had a wonderful opportunity to let the whole world know who the Second Vice-President was going to be, but being under the new rule and such has been no objection at all, I have no chance to say how well I've known this man, what he's done, and what he can do, but as the new rule we'll leave it as it is. But old Chief Jim Grote will go out of here very much disappointed for one reason that I haven't had an opportunity to tell who this candidate is and what he can do for us. And we will be honored to say that Chief William Healey of Milford will be a great credit to the Association sooner or later, take from the old pro. You all know who I am, and if you don't —

FROM THE FLOOR: God bless you.

(Laughter.)

FROM THE FLOOR: Hear, hear.

PRESIDENT TEECE: Thank you, Jim, I'm sure Bill appreciates that.

No other business to come before this meeting today, a motion to adjourn is in order.

CHIEF CARLE: So moved.

FROM THE FLOOR: Seconded.

PROCEEDINGS

CHIEF JAMES P. FALLON: May I have your attention, please. Thank you very much.

Would you all please rise so that we may welcome the Officers and Directors of the New England Association of Fire Chiefs to the banquet.

The Sergeant-at-Arms, would you please escort the Officers and their guests.

(As the Officers entered the orchestra played and a standing ovation.)

CHIEF FALLON: Would everybody please be seated.

Thank you very much for a rousing cheer of appreciation for the hard workers in your Association, the Officers, the Directors, and their wives and guests.

For those of you who don't know me, I am Jim Fallon and I'm the Retired Chief of the Brookline Fire Department. Those of you who do know me will be very happy to hear that this evening I will tell no jokes, that I will make no long speeches, but the flip side of that is I will not receive any tips either so we will make this program as expeditious as possible.

And in that light, I'd like to introduce the head table. To my far left, a Chaplain of the New England Association of Fire Chiefs, Reverend Stephen Foley.

(Applause.)

Beside Reverend Foley is our Second Vice-President Charlie Hall from New Hampshire and his wife Jane.

(Applause.)

And from Woonsocket, Rhode Island, the First Vice-President Gerry Landry and his wife Syl.

(Applause.)

My wife Lorraine is next.

(Applause.)

And beside her would be our President, Chief Bob Teece and his wife Birgit.

(Applause.)

Beside the Teecees is the guest speaker of the evening, Representative Joseph Manning of the Seventh Norfolk District of Massachusetts, which encompasses Bob Teece's hometown of Randolph, and his wife Audrey.

(Applause.)

And beside them in misplaced order, well, let's see, we know who he is, Bill Healey and his wife, we want to welcome them.

(Applause.)

And beside him the Host Chief from Hyannis, Richard Farrenkopf and his wife Janet.

(Applause.)

Also the Chaplain of the New England Association, Reverend Charles Hood from Beverly, Mass.

(Applause.)

And the Chaplain of the Hyannis Fire Department is Reverend Albert Ryan.

(Applause.)

At this time we'd also like the Directors of the Association to stand for recognition as I call their names. From Massachusetts, Chief Bob Nunes of Chicopee and his wife Sandy.

(Applause.)

From Connecticut, Chief Bill Healey.

No? That's the latest information that I had. Chief Edward Haber and his wife Jane. Did I get that right?

(Applause.)

He's a long-time Chief and a long-time member of the Association. We got goofed up on the name.

In addition to that would be from Maine, Chief Kenneth Wagner and his wife May.

(Applause.)

And from Rhode Island, Chief Michael Moise. Is Mike here — there he is.

(Applause.)

And from Vermont, Chief Wendall Mansfield from Stowe and his wife Phyllis.

(Applause.)

And from New Hampshire, Chief Mike Mooney from Guilford, New Hampshire and his wife Donna.

(Applause.)

I'll now ask Father — Reverend Hood to do the invocation. Reverend Hood.

REVEREND CHARLES F. HOOD: It's all right to call me father, I've been a father seven times.

(Laughter.)

Let us pray. Oh, God, giver of all good who continually pours out Your benefits upon all of Your children, we ask you, oh, God, that you will give unto us your grace as we offer unto You our thanks and our praise for all the surprising graces which come to us from those that sustain our lives and those that change them. For friendship, old friends who are willing to accept us and new friends who remind us of Your spiritual presence.

And that it dwells within us and with others for our health that sustains us and our failing health that teaches us to dependence upon You. For our work and our daily responsibilities to do our best.

Grant unto us now, oh, God, your blessing upon us and give us a clear conscience and peace at last.

And now we ask You to bless unto us this food and us in the service of Christ, our Lord, in the name of the Father and of the Son and of the Holy Spirit. Amen.

(Amen.)

CHIEF FALLON: Thank you, Father Hood.

Everybody sit down and enjoy the meal and we'll have the program after the meal. Thank you very much.

(Banquet.)

CHIEF FALLON: Thank you very much, ladies and gentlemen. After that fine meal, we'll be ready for a program which we will keep as brief as possible so that we can return to the festivities of the night.

I think we want to start off by a round of applause for the very fine orchestra, the Bob Jennings Orchestra under the direction of Guy Bognanno, very fine music, from Lantana in Randolph.

(Applause.)

At this point, I'd like to recognize some of the past officers in this organization, this fine organization of the New England Association of Fire Chiefs. And we have here this evening several past Presidents who I would like to introduce in no particular order this time, if you will bear with me.

Beside them is Charlie Fosß and his wife Helen.

(Applause.)

And next would be Ernie Flanders and his wife Polly.

(Applause.)

And beside them is Jiggs Clinton Hughes and his wife Joan.

(Applause.)

Over at the next table we have, I would think, one of the senior members if not in the country certainly in this organization, let's have a rousing welcome for Chief Jim Grote, 97 years young, past President of this Association and one of the big movers.

(Applause.)

We also have from Rhode Island, Chief Ace Cappelli and his wife Anne.

(Applause.)

And we also have Chief Bob Butters and his wife Beverly. Bob is out there somewhere.

(Applause.)

It's through the hard work of these past presidents and your current organization and the Directors and Officers of this organization that keep it strong for the membership of well over 1300 and certainly well-attended at this Conference.

At this time, I would also like to introduce one of the heavy hitters in our state of Massachusetts who went on to become President of the International Association of Fire Chiefs, Chief Gerry Carle and his wife Wanda.

(Applause.)

And it gives me great pleasure to introduce a friend of mine since I have a place down here in South Yarmouth and I meet him occasionally at the coffee shop, host Chief Richard Farrenkopf of Hyannis for his address of welcome.

(Applause.)

CHIEF RICHARD FARRENKOPF: Good evening, ladies and gentlemen. Notwithstanding you, Chief Fallon, good evening ladies and gentlemen, again the members of the head table, chiefs, wives, and guests, welcome to the 66th Annual Banquet.

Before I give my welcoming speech, I'd like to address a little issue from my great friend, Retired Chief Ed Craighton, who last year made mention to me that my speeches are repetitious all the time.

(Laughter.)

So I asked Chief Creighton at that time if he would like to write my speech this year and he said, "Yes, I will." So I have been after Ed since Sunday morning to get my speech written. And when does he write it, he writes it at the Annual Meeting this afternoon. And this is what Ed said I should say.

(Laughter.)

"Welcome to Hyannis. Hope you enjoyed your stay. Good night."

(Laughter.)

And his finishing sentence or line is, "We want to dance."

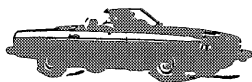

(Laughter.)

Well, I have a little pun for Ed. When you get out there on the floor with your dear wife Rita and you are only reminiscing and when you want to sing that old syllable "I want to dance all night."

I would like briefly to mention my very good friend Arthur Gaudet, who is stepping down from his position of Secretary-Treasurer of this Association. I have personally worked with Arthur and his wife through the years when the Conference has been held in Hyannis. Arthur, I have enjoyed every minute of it working with you and you will surely be missed by everyone as Secretary-Treasurer. Good luck to you, Art, and now you can take a back seat and enjoy the future Conferences.

Also, good luck to the outgoing officers. It's been a pleasure working with you.

I wish a very successful year to the new incoming President and his officers. May they have a successful 67th Annual Conference.

Every year we get involved in weather. These last two days, I have to say, were terrible, but Sunday was super, right?

(Laughter.)

Actually, speaking of the last two days were beautiful.

Sunday, I think, was an experience for the New England Association of Fire Chiefs because we had to run around and get lighting and we succeeded and we did a very good job.

I'd like to mention again this year as I do every year, that I have many gifts from the merchants of Hyannis and I just want to know when you receive them they are graciously given by the merchants here in Hyannis.

And last, but not least, I want to express my sincere thanks to each and every one for allowing me to serve as your host Chief over the years. Your friendship, your handshakes, and the hugs from your wives make my days during the Conference and your participation each and every year. And I hope each and every one has a very enjoyable and very pleasant and successful time here in Hyannis. We all look forward toward next year's Conference and may your trip home be a safe one.

My wife Janet and I wish you a very successful year ahead. Thank you.

(Applause.)

CHIEF FALLON: Thank you very much, Chief.

Just a few more introductions. On my right is a man whose been a mover and a shaker in this organization for several years when I was a Director and one of the officers and he has given me tremendous help. I just want to, at this time, publicly acknowledge the presence here of Chief Arthur Gaudet and his wife Polly. I don't think we'll have you stand up.

(Applause.)

And of course, we couldn't do without the Sergeant-at-Arms Homer Dubois and his wife May.

(Applause.)

Just around the bend in the table there is the elect Sergeant-at-Arms Chief — let me see now, Otis Wyatt from Narragansett, Rhode Island.

(Applause.)

We also have at that same table the Secretary-Treasurer elect Chief Martin Jordan and his guest Georgia, from Bourne, Massachusetts.

(Applause.)

It gives me great pleasure now to introduce to you a man who has been a prime mover in fire circles in the State of Massachusetts and certainly in the New England scene. He was certainly instrumental in making the Massachusetts Fire Chiefs Association a viable organization during his 10 years as Secretary-Treasurer of that organization and just recently left a couple of years ago.

He was appointed to his department as a call man in Randolph, Massachusetts in 1946 and he was appointed permanent in 1951 and then he became Chief of the Department in 1971.

He has been a member also of the Norfolk County Fire Chiefs Association and the New England Division of the International Association of Fire Chiefs.

I refer to none other than your current President, and our Chief from Massachusetts, Chief Bob Teece of Randolph, Massachusetts.

(Applause.)

PRESIDENT TEECE: Thank you, Jim. It is now my honor and pleasure at this time to introduce our guest speaker for the evening. He's a real old friend of mine, Representative M. Joseph Manning. We all call him Joe. And who represents the town of Milton and two precincts of my town. I've known Joe ever since he married an old classmate of mine — not old — Audrey Hawkins. I warned her of marrying a politician, but as you see she didn't listen.

He was a senior member of the House, having 20 years, and a member of the House Ways and Means and also on the Judiciary Committee and on the Redistribution Committee. And he has also been honored by his colleagues this year when they elected him as the President of the Massachusetts Legislators Association.

His real claim to fame, as Bob Blake and I talked, and Joe gave me his background and I said, "I don't need it, I've been with Bobby Blake all day." His real Association is with the fire service.

Joe's father's served as a permanent firefighter in the town of Milton for 40 years. He's the only call man still remaining on the Milton Fire Department. They tried to get rid of him, but he's the last one there. His long-time Association with the fire service makes him a good friend of ours in the State House as he understands our problems and our needs.

Joe, Bob Blake wanted me to tell one story. He wanted me to mention the \$50 suit that you lost at the big Bellflower fire in Boston years ago. As I understand it, as you tell it now, the suit is worth now \$350.

Without further ado, please welcome a good friend and firefighter, Representative Joseph Manning.

(Applause.)

REPRESENTATIVE M. JOSEPH MANNING: Thank you, Bob. I could have some remarks relative to my service with the Milton Fire Department, but I was just so overwhelmed from the fact that my service and my current tenure there as a member of the department on the roster anyway, was recognized by you, Chief.

Reverend Clergy, President Teece, Officers, head table guests, and guests of the New England Fire Chiefs. I would like to welcome the New England Association of Fire Chiefs and their guests to the Commonwealth of Massachusetts and beautiful Cape Cod. My invitation to join with you this evening is a very special honor to me. I am the son of a firefighter, as has been mentioned. In fact, when I was young, I remember accompanying my father to Hartford, Connecticut, to attend the New England Association of Fire Chiefs at their Annual Convention and now some years later I return to extend to you the official greetings of his Excellency Michael S. Dukakis, Governor of the Commonwealth of Massachusetts.

For many years I know that your Annual Convention was held at Wentworth-by-the-Sea in New Hampshire and in choosing Cape Cod for your Annual Meeting it is most appreciated by those of us that strive to make our Commonwealth a place to come and live, to be educated, to work or just to visit. Tourism has become our second largest industry.

You know, Massachusetts has given this nation four presidents and if everything goes as expected Massachusetts will send a fifth President to the White House in January. As you know, our governor is a candidate for the Presidency himself and if he receives the nomination next month in Atlanta, Georgia, and Vice-President George Bush becomes the Republican standard bearer, there will be two native sons of Massachusetts vying for the highest office. In fact, both were born in the same county, Norfolk County, the home county of your Association President as well as myself. Governor Dukakis was born in Brookline, Massachusetts and George Bush was born in Milton, Massachusetts, my birthplace. In fact, we both were born on the same street, Adams Street, named for the second President of these United States.

The weeks and months ahead are going to be busy to those of us in the political arena, especially to the elected officials here in the Commonwealth. Whatever the outcome, however, Massachusetts will send a native son to 1600 Pennsylvania Avenue.

As Chief Teece stated, I'm a member of the Massachusetts General Court. A body of law makers that originally laid the foundation of a free Commonwealth and a great nation. The Massachusetts House of Representatives has been a continuous legislative body for more than 350 years. And with the exception of the House of Burgess and the English parliament, it is the oldest continuous legislative body in the world.

Our Massachusetts General Court has earned a reputation as a leader in the entire country in enacting progressive labor, education, and social welfare laws. We address all issues that affect the quality of life of our citizens.

Let me share with you some of the accomplishments of our legislature in the last few years that impact significantly on the fire service from a positive perspective. High-rise sprinkler legislation.

Massachusetts has the first in the nation retrofit sprinkler law for all buildings over 70 feet in height. Sprinklers are also required in all new construction of buildings over 70 feet or having an area of 7500 square feet or more.

Unvented space heaters. Landmark legislation was passed several years ago that established the first in the nation statewide ban on the sale and use of unvented liquid fire space heaters.

Hazardous materials. The Massachusetts legislature is currently in the process of providing for the procurement of 15 fully equipped hazardous materials emergency response vehicles that will be placed in strategic locations throughout the Commonwealth. The first of these vehicles has been purchased and is currently in-service for the Metro Fire District and is currently housed in the city of Somerville. Five additional vehicles are in the process of being purchased with funds appropriated in the current fiscal year budget and the fiscal '89 budget that will start July 1st, as approved by the House, provides for five additional vehicles to add to the fleet.

The Massachusetts Firefighting Academy. Our legislature has demonstrated a commitment to improve the training of firefighters throughout the entire Commonwealth by the passage of an \$11 million capital outlay appropriation. This is currently allowing the academy to construct a state-of-the-art fire training academy in the town of Stow, Massachusetts. When completed, this facility for the first time will allow firefighters from throughout our state to receive training at one location. The new facility will provide expanded classroom space, a vehicle maintenance facility, a library, and a resource center with an auditorium.

Earlier this year, the legislature passed legislation naming the new academy the Captain T. Dustin "Dusty" Alward Academy. Dusty, a friend of many of us, served as President of the Massachusetts Professional Firefighters at the time of his tragic death last year. Through his untiring efforts, the working conditions of today's firefighters in Massachusetts are vastly improved because of his efforts and concerns and dedication to the fire service and the legislature so named the new academy in his memory.

Statewide 911. The legislature is currently studying a proposal to provide a statewide enhanced 911 emergency response telephone network. When enacted, this system will greatly improve the capacity of our emergency service to respond to the needs of all our citizens. A shorter response time will result in reduced loss of life and property.

The measures that became law and those that are now under consideration only became a reality because of your assistance and cooperation. The advice and counsel rendered by associations such as yours comes from the first line experience and is invaluable to those of us that are called upon to make the laws. For it is the goal of all of us to service the constituency that we both serve.

In closing, I would take this opportunity to make a presentation to your President, an honor that I had yesterday in presenting a citation to the Massachusetts House of Representatives, which passed by unanimous vote, and with your permission I would like to share this with you.

"Be it is hereby known to all that the House of Representatives hereby offered it's sincerest congratulations to Chief Robert D. Teece, in recognition of your leadership of President of the New England Association of Fire Chiefs, the entire membership extends its very best wishes and expresses the hope for future good fortune and continued success in all your endeavors."

Signed the 27th day of June at the State House by George Keverian, Speaker of the House, and offered by myself, Representative M. Joseph Manning.

Chief, I present this to you with congratulations from the Massachusetts House.

(Applause.)

And for inviting me to be with you this evening and my wife Audrey, I would like to express my sincerest thanks. Thank you very much.

(Applause.)

PRESIDENT TEECE: Thanks very much, Representative Joe Manning, that was a complete surprise, thank you very much.

As one of my last few functions, I have a couple of awards, a couple of special awards tonight. So I would ask at this time if our now Sergeant-at-Arms Oti Wyatt to escort the Sergeant-at-Arms to the podium, please.

(Chief Otis Wyatt escorted Chief Homer Dubois to the podium.)

Most of you don't know, but the position of Sergeant-at-Arms is not an elected position and it is an annual appointed by the President. Homer was first appointed 10 years ago and I believe it was probably by his old Buddy Eddie Borowiec — is that correct — that's what I thought — of Chicopee, when he was President. Since then there has never been any doubt who a new President would appoint, it was always Mr. Perpetual Motion Homer Dubois, he just never stops. He's always the first one to show up in the morning, carrying out the typewriters and other equipment for the registration desk, and making sure the meeting rooms are all set up. He's always the last one to leave at night, making sure everything is packed away and locked up at night.

You have been doing this for 10 years. At Annual Meetings and banquets, he's always the first one in and last one out. You never have to go looking for him, he's always around the corner.

Likewise just ask the wife of any former President or any of the ladies who serve on the committees, they never had to ask for anything either as Homer was always two steps ahead of them. Everything was always set up for their meetings too.

Homer retired in the middle of his term so he is not eligible to run again or be appointed again as another Sergeant-at-Arms. Fortunately for me, he was able to finish his term. You just can't imagine how much of a help he is until you work for him for a couple of meetings.

So Homer, on behalf of the members, I thank you and present this plaque to you as a token of our esteem to Homer Dubois, Sergeant-at-Arms, 1979-1988.

(Standing ovation.)

PRESIDENT TEECE: Sergeant-at-Arms, Oti Wyatt, would you please escort outgoing Secretary-Treasurer to the podium?

(Chief Otis Wyatt escorted Chief Arthur R. Gaudet to the podium.)

PRESIDENT TEECE: Thank you very much. This is a real pleasure to have you up here Arthur. You are not aware that every successful association such as ours revolves completely around the Secretary-Treasurer and we are successful because we have had Arthur for eight years. Arthur served our state association and I know the background of what a secretary goes through all the time. And for the last eight years there is a room in his house for his office. He had to give up a room.

He has 1300 members that he services and when you get a mailing for the dues, the notices to these meetings, the Red Book or whatever, you have to realize 1300 others are receiving the mailing at the same time, which meant many, many hours, long hours he went through arranging for the printing, addressing the envelopes, stuffing, sorting by states, and lugging them to the Post Office. And we all get our stuff. It's not an easy job as the new Secretary-Treasurer will soon find out.

At a Directors meeting and at our Annual Business Meeting and Banquet, the President sits down, Arthur puts an agenda in front of him, and the President runs the meeting that Arthur has prepared for him.

This past year Arthur and his wife truly served over and above what is expected of anyone. I think most of you are aware that Arthur was struck down with a serious illness this year. And when he first called me to report this he told me he could not make the Directors' meeting in May positively and it was doubtful whether he would make this Conference this year. And thanks to modern medicine he made a rapid recovery and showed up at the Directors' meeting 40 pounds lighter. He looked like hell, but he persevered and ran the meetings and here he is tonight.

(Applause.)

So Arthur, on behalf of all 1300 grateful members, their wives, Chief Arthur Gaudet, Secretary-Treasurer of the New England Association of Fire Chiefs, Incorporated, 1981 to 1988, thanks very much, Arthur.

(Standing ovation.)

It is now my honor as my last function to swear in our new President for the upcoming year. First Vice Gerry Landry, step forward here and raise your right hand and repeat after me:

CHIEF GERALD P. LANDRY: I, Gerald Landry, hereby swear that I will support the constitution and by-laws and at all times bear true allegiance to the goals and purposes of the New England Association of Fire Chiefs, Incorporated. I further swear to perform the duties and responsibilities of my office to the best of my ability and at the end of my term of office I will deliver to my successor all records of such office, so help me God.

(Applause.)

PRESIDENT TEECE: Congratulations, Mr. President.

PRESIDENT LANDRY: Thank you very, very much. I think the past President gets to make all the pleasant announcements and I just wish to say to Arthur and Homer what President Teece said, I myself and Syl of course echo the same sentiments. We appreciate what you have done for us and the organization itself. Thank you very, very much.

(Applause.)

PRESIDENT LANDRY: Reverend Clergy, President Bob and your lovely wife Birgit, distinguished guests at the head table, my present wife Syl —

(Laughter.)

— I'll pay for that later.

Fellow Fire Chiefs and friends of the Association, thank you for bestowing upon me the great honor of becoming President of this fine organization. Although I must admit that on Sunday — I think you all remember Sunday — I had some serious reservations about what I would be getting into if elected President: Power shortages, no lights, rain, changing rooms into ones that were not available, placing all our luggage or piling all our luggage into Arthur Gaudet's room, setting up the registration desk with no electricity for the electric typewriters and the electric computer, vendors working and grumbling in the dark — and if you think they weren't grumbling — my reservations were groundless for everyone improvised, the Directors and the committee members kept right on working as if this was an everyday occurrence. Generators and the computer came on line and were back on our feet. And at that very moment we got back on our feet, guess what, the power came on.

Tonight I feel very secure in the knowledge that we have such a dedicated and distinguished group of officers and committee members. These people give their all to this organization and I can but promise you that I will profit by their example and give my all as your President.

With your indulgence, I present with great pride to you that have been supporters of me in the past and more so this evening, ladies and gentlemen, allow me to present to you the great delegation from the little state of Rhode Island. Rhode Island, please stand up, come on, you Rhode Islanders.

(Applause.)

Remember, next year we meet at Sturbridge. We are hoping to see you then. Thank you very, very much.

President Bob, your turn. President Bob, the organization, in appreciation of your past service to this organization and President of this fine organization, wishes to present this to you.

(A silver trumpet presented to Chief Teece.)

(Applause.)

The reading says, "Chief Robert Teece, New England Association of Fire Chiefs, Incorporated, 1987-1988."

CHIEF TEECE: Thank you very much.

(Applause.)

This definitely will be my last one so we can get on to dancing. Reverend Clergy, Honored guests, members, wives, guests, all, it's really hard for me to believe that a whole year has gone by since I stood here and accepted the Presidency last year. It's a year that I truly enjoyed and will never forget, but it was not a year without a few problems. I just said a few and I related one, Arthur's illness that threw us for a loop, but modern medicine made him recover rapidly.

The second problem was our exhibits. You all knew that Ed Creighton had retired and I appointed Charlie Maurais as Chairman. You think we would have an easy transition period as we are meeting in the same place as last year, right? Wrong! The new owner decided to refurbish the place. He did a beautiful job, but in doing so we lost 12 booths in the exhibition hall and that made extra trips down here. You can't imagine how many calls between Arthur and Maurais. And Chief Farrenkopf interceded and through his efforts we were able to place new booths in the new hallway you saw and we regained what we lost and we had 83 booths, I think, again. So Dick, to you and your department, many, many thanks, you really fixed it for us.

CHIEF FARRENKOPF: My pleasure.

CHIEF TEECE: I think I am pretty near done to the end. We have all been explaining each other on the dark, but Charlie Maurais, I really want to thank you, your first year you really got christened as the new Chairman. And with quite a few exhibitors he was shaking his head, but I knew you would come out on top and especially the group in all that rain and wrapping up the apparatus.

Joe Nicolosi had to buy an umbrella.

Wendall Mansfield, you did one hell of a job out there and you deserve a lot of credit.

Last year when I stood here, I said I wanted to see a big membership drive from all of the Directors and Arthur reports to me we gained 77 new members this year. Still a lot more non-members out there that we could sign up so let the new President, I suppose he will be working on that.

And in closing, I thank each and every one of you for all you have done, your help and assistance this year and for allowing me to serve you for this past year, thank you.

(Standing ovation.)

PRESIDENT LANDRY: It becomes my pleasant duty as President to swear in the new officers. If you will come and line up in front the way we are arranged now — I see no way to get down with you — and you can repeat your name at the appropriate place.

From Merrimack, New Hampshire, the First Vice-President Chief Charles Hall.

(Applause.)

From Milford, Connecticut, our Second Vice-President William A. Healey.

(Applause.)

For the Directors: from Berlin, Connecticut, Edward Haber.

"I, (your name, please) hereby swear that I will support the constitution and by-laws and at all times bear true allegiance to the goals and purposes of the New England Association of Fire Chiefs, Incorporated. I further swear to perform the duties and responsibilities of my office to the best of my ability and at the end of my term of office I will deliver to my successor all records of such office, so help me God."

Congratulations, gentlemen.

Ladies and gentlemen, the new officers of the Association.

(Applause.)

One more, the officers that were up here, if any of you wish to say a few words?

(Laughter.)

Oh, come on, there has to be takers.

If now, I'll turn this back right over to Jim Fallon.

CHIEF FALLON: We are going to have the benediction in just a moment and then we will have the drawings for the prizes that Chief Farrenkopf and the City of Hyannis has provided.

Are there any announcements for later on this evening or tomorrow?

O.K. I lost my speech so we will go to the benediction. Father Foley, will you please give us the benediction.

(Everyone stands.)

REVEREND FOLEY: Let us pray. Gracious Father, as you bring to a conclusion another successful Conference, we are once again very grateful for Your assistance, Your protection, and Your guidance. We thank you for the example and the efforts of those who have served us so well and we ask Your blessing upon the coming year that the newly elected may also continue to serve well.

Bless us as we depart once again for our own cities, towns, and villages. Give us all a safe return trip home. Grant us Your safe haven and at the last eternal rest in the name of the Father, the Son, and the Holy Spirit. Amen.

(Amen.)

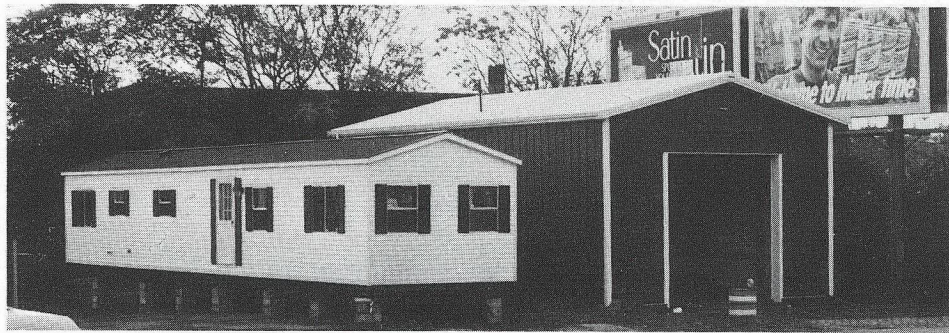

CHIEF FALLON: At this time, we would like Chief Charlie Maurais and Ed Creighton to come up and distribute the prizes. Thank you one and all.

(Applause.)

CHIEF EDWARD CREIGHTON: The first thing is the raffle for \$150.

In order to expedite this, the same routine we have been doing this for years. As you all know I retired last June so I was ineligible to be reappointed so we had to find a successor to be Chairman of the committee and we were fortunate in that my successor is the Chief of the Department in Marblehead who was asked and interested in doing this job. So we were lucky to get him and I worked with him this year to help him out.

DEVELOPMENT

I would just briefly like to state that when I took over the Exhibit Committee it was in Bretton Woods 15 years ago and we had 28 apparatus outside and 24 booths inside. So you can see how it's grown to 70 pieces and 84 booths.

The gifts and things came from the fact that at that time the exhibitors all donated a gift for a Tuesday afternoon drawing that we used to do every Tuesday afternoon for all the guests and then gifts for the Chiefs' night, for all the registered Chiefs. And that got to be a big problem because we have gotten too big so now we have these few gifts that the Hyannis Chief totes around and what are you going to inspect the place tomorrow morning.

(Laughter.)

Incidentally, Chief, I read your speech from 1985 and it was the same as tonight.

(Laughter.)

And at this time I would like to introduce my successor, Chief Maurais from Marblehead, Mass., who is the Chairman of the Exhibit Committee.

(Applause.)

And this will be my last time I'll be up at this mike so that's it.

(Applause.)

We are going to do the raffle for the money.

We usually have Father and we have the father of seven, Reverend Hood, draw out the numbers and in that way there we figure it's an honest presentation. We are going to start with the tickets.

(Tickets drawn and gifts distributed as follows:)

(Several gifts donated by Colonial Candle of Cape Cod.)

(One gift donated by First Alarm Uniforms.)

(Two gifts donated by Puritan Clothing.)

(One gift donated from Rossco, Incorporated.)

(Two gifts donated by Bradford Hardware.)

(Several gifts donated by Airport Liquors.)

(Several gifts donated by Hyannis Bottle Shop.)

(Several gifts donated by Hyannis Package Store.)

(Several gifts donated by Sears.)

(A gift donated by Nevada Bob's Golf Shop.)

(A gift donated by Hyannis Hardware.)

AERIAL DEVICE INSPECTION

When Firefighter's lives are on the line

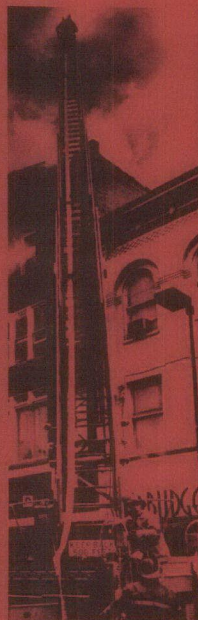

Why take a chance on equipment failure. . .

Dedicated, trained personnel working with equipment not properly inspected and maintained, risk injury to themselves and others. Equipment failure adds greatly to loss of property and consequently higher insurance rates. It does not have to happen in your department. Proper comprehensive safety inspections are available and at a cost within the budget of every department.

AERIAL TESTING CORP. is an independent nondestructive testing and inspection corporation which specializes in Aerial Device Equipment. The purpose of our inspection is twofold: (1), to help serve as a guide for manufacturers, dealers, installers and users of aerial device equipment; (2), to offer independent, objective safety tests and inspections for Fire Department Aerial Device Equipment. Our primary objective as a service to the Fire Industry is the prevention of personal injuries to both users and the public.

WHY SHOULD YOU CHOOSE AERIAL TESTING CORPORATION?

Today's sophisticated equipment requires knowledgeable technicians to detect and correct not only existing problems but potential future problems which may cause the device to fail or be placed out of service. Unlike most aerial device inspection companies whose services are limited to only structural deficiencies, **AERIAL TESTING CORPORATION**, in addition, offers operational, functional and maintenance checks as part of our routine inspection.

The advantage of our Aerial Device Inspection program is that not only can we detect structural deficiencies, but we can detect functional deficiencies prior to any real "brake down"; and in most cases advise as to what corrective action can and should be taken.

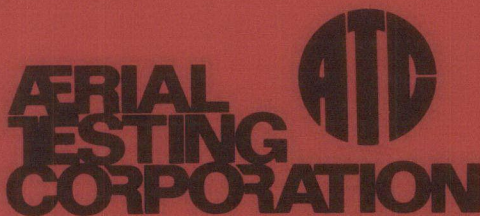

The safety inspection we offer is quite comprehensive. It is performed by trained inspectors who are certified in accordance with the requirements of the American Society for Non-Destructive Testing—Document SNT-TC-1A.

AERIAL TESTING CORP.'S inspection is divided into four major parts. . . (1) Visual Inspection, (2) Nondestructive tests, (3) Functional tests and (4) Structural tests.

Safety is of paramount importance. Our Services provide aerial device crews with the added confidence and sense of security needed when operating Aerial Device Equipment.
